**LOUISIANA STATE PARKS RESERVATIONS WEBSITE  
RECEIVES NEW LOOK**

Visitors to Louisiana State Parks' reservation website will notice a new look and functions, designed to make the experience easier and more visually appealing. ReserveAmerica/Active Network, the company that administers Louisiana State Parks' reservation system, collaborated with the Office of State Parks to bring the look of Louisiana State Parks' webpages more in line with [www.LaStateParks.com](http://www.LaStateParks.com), the official website of Louisiana State Parks.

In addition to the new look, a webpage called "Camping This Weekend" has been created. This webpage provides real-time information on overnight accommodations still available for the upcoming weekend. Customers will be able to make that spontaneous trip to their nearby Louisiana State Parks, or one on the other side of the state, with little effort.

ReserveAmerica/Active Network have been the reservation system providers for Louisiana State Parks, from 2000 – 2012 and from 2014 until the present. ReserveAmerica led the camping industry to the Internet by processing the industry's first online reservation in September 1997. Since that time, ReserveAmerica has become the leader for online reservations, having completed millions of web transactions.

Online reservations for Louisiana State Parks can be made at [www.ReserveLaStateParks.com](http://www.ReserveLaStateParks.com). For more information about Louisiana State Parks visit [LaStateParks.com](http://LaStateParks.com), or follow Louisiana State Parks on [Facebook](#) and [Twitter](#).
