 - Addressing the needs of the underserved – Gene Meneray provided a further update on potential programming focused on arts and the Incarcerated as well as individuals participating in re-entry programs. He was in San Jose to meet with potential partners. California Lawyers for the Arts received funding from the Arts Justice League and NEA. Louisiana has been chosen as a partner state along with Georgia and Arkansas. It was recommended that Louisiana initially focus on one region, develop a pilot program. Patti Nelson inquired if there would be a template to follow. The location may be dictated by trained artists – where are they and where are the progressive leaders who will assist. Mary made a motion to form a subcommittee for LSAC members to address this arts initiative. Margie Camardelle so moved. Patti Nelson 2nd. Motion passed. Individuals were asked to submit their names to Mary if they would like to serve on this committee.
- IV. **Assistant Secretary Report:**
 - Kristin Sanders provided an overview of OCD and this years' legislative session. The budget, which includes the Division of the Arts, will be a continuation of last year's budget. She also indicated that continuance of the historic tax credit did not pass. Besides the Division of Historic Preservation, this also affects LDOA's Cultural District program as the tax credit is an offered incentive. With the upcoming election, there will be quite a few new legislative representatives and we anticipate our administration further addressing this issue.
- V. **LDOA Director's Report:**
 - Cheryl and Danny provided an overview of the National Assembly of State Arts Agencies.

- Erica facilitated ratification of the FY20 DAF funds as well as the funds being awarded for general operating support to the nine regional arts councils. She initially provided information on the state's General Operating Support grant in that FY20 is the 2nd year of this two year grant. The GOS funded amounts were provided for information. Mary Lee motioned that the general operating support funds be approved for the nine regional arts councils and continue for the GOS grant program. Adam Holland so moved. Olivia Regard 2nd.
