

National Register Eligibility Questionnaire

Submit the following items:

- a completed eligibility questionnaire form
- a map showing the resource's location within the parish and city (a map from the internet is acceptable)
- **several current exterior and interior photographs** (if multiple buildings, include photos of each)
- for structures, sites, or objects with no interior, only exterior photographs are necessary
- a copy or basic sketch of the site plan and floor plan(s)
- copies of any available historic photographs or drawings, if available

For more information about eligibility and the nomination process, please visit:

Property Name:

Address:

Parish:

City:

Resource Type:

NOTE: For districts or cemeteries, please request alternate forms.

National Register Criteria:

A - History: Events that have made a significant contribution to the broad

B - People: Association with the lives of persons significant in our past.

C - Architecture: Embodies the distinctive characteristics of a type, period, or method of construction or that represent the work of a master, or that possess high artistic values, or that represent a significant and distinguishable entity whose components may lack individual distinction.

D - Archaeology: Have yielded or may be likely to yield information important in prehistory or history.

Primary Area of Significance:

Secondary Area of Significance
(if applicable):

Description of Significance:

Why is the property important?
Provide a brief history of the property and reasoning for **each criterion and area of significance** chosen above.

Are there other properties in the same community from a similar time period that might be significant for similar reasons? If so, list them here.

Include all sources for the information provided (example: books, articles, oral interviews).

Date of Construction:

Has the resource been moved from its original location? Yes
No

If the resource has been moved, where was it originally located? When and why was it moved?

Brief Physical Description:

Describe the resource and its setting.

Are there multiple buildings, structures, or objects on the property? If so, include a construction date and brief description for each one, including non-historic resources.

Describe any known or suspected exterior and interior alterations and their dates (example: additions, new windows, replaced or covered siding, etc.).
